

# High Pressure Metering Pumps.

## High Pressure Metering Pumps.

Ferti▶ Ject's range of metering pumps are highly configurable and can be customized to suit any dosing application.

Our technology partner has been manufacturing heavy duty metering pumps, mixers and accessories for more than 15 years.

The NDWS series pumps are highly accurate and are ideal where system pressures are high.

## Standard construction.

Pump type: Diaphragm.  
Liquid end: PVC, other materials on request.  
Diaphragm: PTFE, other materials on request.  
Gearbox: Oil filled

Other materials available on request.

NDWS Series

**8 - 24**

LPH

## NDWS pump performance.

Model	NDWS 8/16	NDWS 12/16	NDWS 18/16	NDWS 24/16
Flow (lph)	8	12	18	24
Pressure (Bar)	16			
Motor	0.18 kW TEFC			
Power	Single or Three Phase			
Connection	¼ Flex
